

Chrysalis - School Behaviour Expectations

At Chrysalis we believe everyone has an opportunity to learn and grow in a safe and caring manner, showing respect and gratitude for all.

Strive to learn and grow

We are actively engaged in learning and doing.

We take initiative

We take an interest in the “other”

We put effort into the things we do

At Chrysalis we strive to learn and grow

Respect

We respect ourselves, others, our learning, and everything in our environment (property, students, teachers and community)

Our highest endeavour is to respect every aspect of the school journey.

Caring and Safety

We behave in a safe manner in all areas of the school environment

We feel comfortable and confident in taking risks in the school environment

We care about ourselves, peers, staff family, learning relationships, environment, equipment and property.

At Chrysalis we care about others, our community, our environment and ourselves. We strive to create a safe place for all.

Gratitude

We show appreciation for the whole school, its community and its environment.

At Chrysalis we practice gratitude and positivity. We are thankful for the learning and social opportunities offered.
