Fee Collection and Management:

Upfront Annual and Termly fee collection payments are managed by the Business Operations Manager. All payment by instalment arrangements are managed by Edstart.

Fees are due by the first day of each term. It will be assumed that you will pay in full for each term by the due date, unless you have registered with Edstart.

Invoices and Statements:

An **Invoice** for Term Fees will be sent electronically at least 14 days before the first day of term. **Statements** will be sent with Invoices, and at the beginning of each month, and will include any charges and payments made.

Payment Options via Edstart:

Instalment payments

In order to pay by instalments, families need to register with Edstart. Edstart are a school payment specialist institution. The Edstart Plus option will allow you to pay school fees by instalments spread evenly across the entire year on a weekly, fortnightly or monthly basis directly to Edstart for no extra cost to families. Applications to Edstart are completely confidential and arrangements with Edstart are independent of Chrysalis Steiner School. To set up a plan, register with Edstart online via the following link edstart.com.au/chrysalis.

Longer term repayments or managing an overdue debt via Edstart

For families looking for repayment options beyond the school year, Edstart Extend* offers extended repayment terms up to 5 years after graduation.

*Note: Extra fees and charges are associated with Edstart Extend.

This is particularly suitable for families who are facing temporary financial hardship beyond the assistance available through the School's Fee Support programme. The School strongly suggests families apply for this option, as under the Education Act the school cannot serve as a financial institution, and expects all overdue debts to be managed through an Edstart arrangement. The School cannot carry over debt beyond the end of each school year.

Note: All fees and interest associated with the Edstart Extend option are arranged between Edstart and families directly, the school does not cover these costs. Alternately, you may wish to arrange funding through your own financial lending institution.

Fee Assistance:

In recognition of our School's principle that Steiner Education be available to as wide a group of students as possible within our Shire, Temporary Fee Support is available. Information and application forms are available from the school office. Families are encouraged to communicate early if financial hardship arises.
